

# Knutsford Schools' Sports Newsletter

Hope everyone had a great Christmas break?

The first event back after the holidays was the Year 5 and 6 Netball Tournament held at Knutsford Academy/ Leisure centre sports hall.

## Netball Tournament

All five schools took part in what turned out to be a wonderful, exciting and entertaining tournament.

8 teams played. The structure of the tournament was two groups of four teams, each team playing the other teams in their group once followed by the group winners playing off for the trophy and the group runners up play off for best runner up.

Every match was 8 minutes, with no halves and roll on/ off subs.

The scoring of match was: 3 points for a win; 1 point for a draw.

Goals scored then goal difference would be used to separate teams on the same points at the end of all matches.

Each group played both matches at the same time then the other group played and so on....

The teamwork, energy, passing and moving skills in every game was outstanding. The speed that the girls and boy played at was phenomenal, all the spectators were truly impressed with how good all the players were and how well each team played together – way to go!

Every single game was too close to call; the final score-lines might say differently but the only difference was a great bit of individual or team skills or some well-earned luck.

Into the final, that was another close game with both teams attacking. The final was settled by some expert finishing from the St Vs attackers; **congratulations St Vincents Emerald.**

Well done to all the players that took part, you did your school pride!
