This week saw another classic round of Netball matches and the 2nd set of football fixtures

## Netball league

Once again this week, our Netball teams showed how wonderful the youth of our community are with their team spirit, enthusiasm and sportsmanship, well done to all involved.

Yorston's first game of the league saw them play a St Vincents team on a high are last week's local derby victory. A competitive contest between two well organised sides. Both teams showed superb skills, which created many scoring changes, resulting in lots of excellent goal scoring. All the players played fair and showed superb 'sportsmanship' even in the heat of battle.

Over at Egerton Primary school, Manor Park visited in a absorbing engagement that saw at half-time score-line of 0-0. The next quarters of the encounter saw Egerton's finishes find their range and push them onto victory. The game was really good to watch and the determination from sides was brilliant. All that viewed the game would have been impressed with the support both teams were giving each other, well done all.

Egerton	Manor Park	8-0	Yorston	St Vincents	4-7

## Football league

An illness bug stripped Yorston of their team, which resulted in the other teams having the opportunity to play a friendly and put into practise some match play tactics for future games.

Bexton vs Manor Park started off Thursday's matches with a cracking encounter that had everything a good football match needs; greats saves, counter-attacking vs possession styles, smashing finishes and endless amounts of energy being shown.

The Manor Park South/ North road derby was truly a contest for the football fan: end to end, attack after attack, speckled with some wonderful team spirit and tactical inspiration.

The final set of games saw all four sides battled, compete, invigorate and entertain with some splendid football. The speed of 'play' was phenomenal, the effort and energy was superb from four teams- what a credit those players were to their school. All four teams could have taken the victory if it wasn't for some superhuman goalkeeping and defensive tackling and the width of a post or crossbar. After watching those last games, I need a sit down, let alone how those players must feel.
