

Focus on.....Year 3

In Year 3, we have been settling well into Key Stage 2 and enjoying all our new topics. We've been learning about coastal features and making our own maps of Scarborough in our Geography lessons, making wanted posters for Mr Fox in English, and this week we showed off our cooking abilities when making seasonal tarts in D&T.

In Science, we have been learning about different types of skeletons and, this week, we had Ruby the tortoise join us as a special guest in our science lesson to show us an example of an animal with both an endoskeleton and an exoskeleton.

Everyone in Year 3 has been working hard, so keep up the good work everybody!

Time to Reflect

by Mrs Davies

The gospel focus this week was from Matthew 21:28-32. It tells us the importance of actions not words. Jesus reminds us that doing the right thing is much better than saying you'll do the right thing but then do nothing. Let us all try to share what we have with others.

Dear Parents and Carers,

I can't believe we have just finished our fifth week back at school – it really has flown by so quickly! We've had another very busy week in school and it's good to see how enthusiastic and hard-working the children are across all areas – both curricular and extra-curricular. Well done to all the children who took part in netball, football and hockey events this week.

It was also lovely to see so many Reception parents and carers at our 'Stay and Learn' session on Tuesday. Thanks goes to Miss Quinn for giving a very detailed presentation on how Phonics is taught at school and giving lots of ideas and how you can support your child at home. After the presentation, there was time for the adults to work with their child in the classroom area. It was lovely to see the children's smiles as they played phonic games and showed you around their classroom and outside area.

Today Year 5 were amazing in their class assembly. They have certainly learnt a lot in only 5 weeks. Well done Miss Liddy and all Year 5.

Have a lovely weekend with your families.

God Bless,

Miss Groarke and everyone at St. Vincent's
