# Phonics screening

- In June 2022 each child will sit one to-one and read 40 words aloud to a teacher.
- The list of words the children read is a combination of 20 real words and 20 pseudo words (nonsense words)
- The test will take approximately 10 minutes per child, although all children are different and will complete the check at their own pace.
- By the end of Summer Term parents will be informed if their child has passed.
- Any children who do not pass will receive extra support and repeat the test again in Year 2.
- In Spring 1 we will have another Stay and Learn Session focusing on the phonics screening.

# Spelling

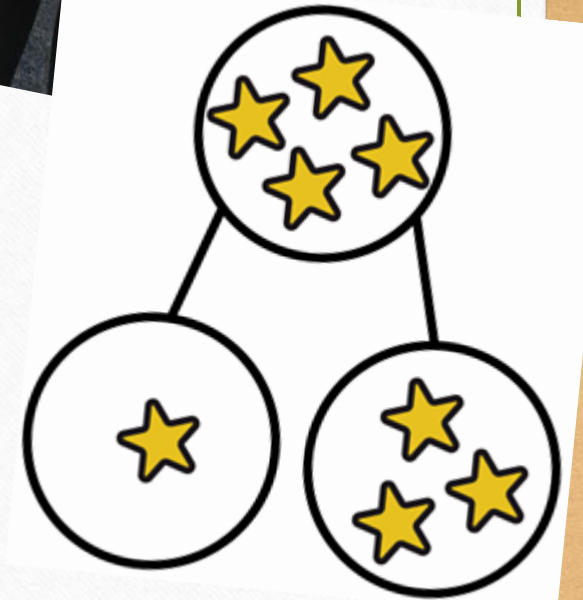

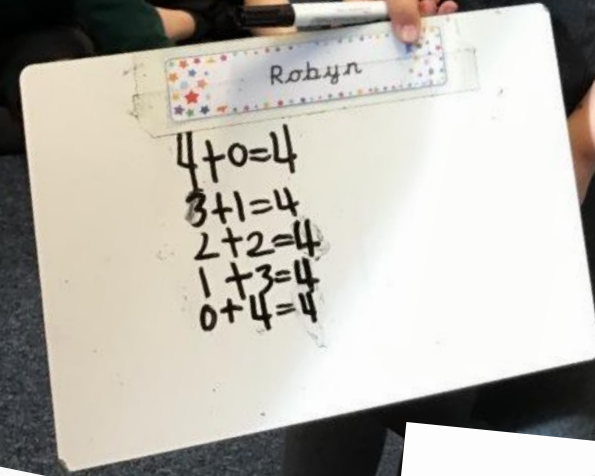

---

- Weekly spellings sent home to practice
- Based on that weeks phonics and Tricky Words.
  1. Read the word multiple times and talk about what digraphs you can see or what part of the word is tricky.
  2. Your child should then copy the word multiple times saying each letter as they write it.
  3. Adult to dictate the word and the child tries to spell it. Encourage the c children to mark their own so they can see the mistakes and use it as a learning opportunity.

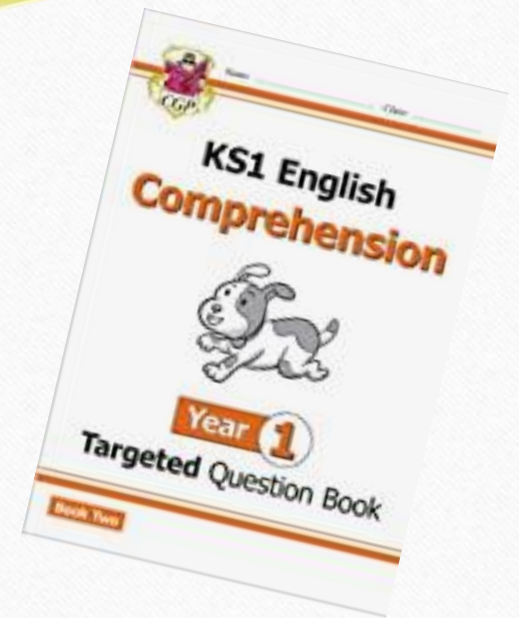

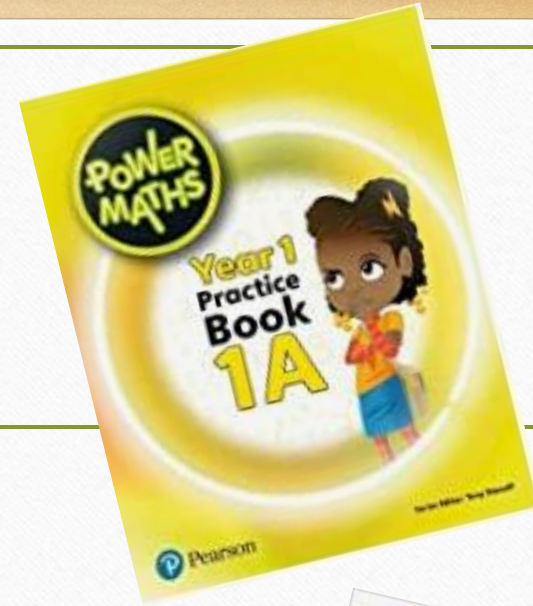

# Maths

- We follow White Rose Maths for Year 1
- We have daily maths session which include an input and a task.
- Maths lessons always follow the sequence of concrete, pictorial and abstract.
- All maths homework set is linked to learning of concept during the week to ensure consolidation and continued learning.
- Importance of being as practical as possible!
